Generous Citizens Give \$7152  
To 900 Mothers' March Aides

Don Bresnan, chairman of the March of Dimes drive in Arlington, has announced that a total of \$7,152.34 was contributed during the hour-long "Mothers' March on Polio," conducted last Thursday night from 7:00 to 8:00.

"We are extremely grateful for the splendid showing," Mr. Bresnan said. "If once again presents outstanding evidence that the citizens of Arlington are solidly behind the fight against Infantile Paralysis."

"Since congratulations are due our more-than-900 mothers whose untiring efforts made the Mothers' March the success it was and had to be. At the same time words seem inadequate in thanking the unnumbered people who contributed to this special activity on behalf of Arlington's 21 polio patients and for furthering polio research."

Bresnan added that while the Mothers' March was eminently successful, contributions from anyone who has not given would be heartily welcome, inasmuch as every dime and dollar given would be speedily put to good use.

The following women acted as precinct captains and efficiently

organized the March, bringing about a 35 percent increase over last year's \$5,359.83:

Mrs. Raymond McKeever, 47 Harlow Street  
Mrs. Nelson Brown, 45 Cleveland Street  
Mrs. Beatrice Rogers, 3 Freeman Street  
Mrs. Francis Fullerton, 23 Wyman Street  
Mrs. George Birtwell, 70 Margaret Street  
Mrs. Elmer Scribner, 9 Amherst Street  
Mrs. Richard Rowe, 21 Oak Knoll  
Mrs. Eric Johansson, 108 Medford Street  
Mrs. Fred Elwell, 162 Gray Street  
Mrs. Maurice Kirkpatrick, 77 Edinboro Road  
Mrs. Bernard Hutchinson, 10 Murray Street  
Mrs. Donald Bresnan, 1125 Massachusetts Avenue  
Mrs. Spencer Dormitzer, 38 Cliff Street  
Mrs. Bradley Corson, 25 Crescent Hill Avenue  
Mrs. Frederick Corcoran, Jr., 19 Wollaston Avenue.

New Art Term  
Opens On Feb. 7

The Saturday morning art classes of the P.T.A. Council held in the Industrial Arts School, Academy Street, will begin for the spring term on February 7th. Registrations will be accepted at the school Saturday morning from 9:30 until 10:00. Classes begin at third grade level.

Teachers during the past term have been: third grade, Miss Delcina DeStefano; fourth grade, Mrs. Raymond McKeever; fifth grade, James Kearney and Miss Laura Marshall; sixth grade, Donald Plummer; advanced grade, Mrs. Mary Marshall, Director of the Menotomy Art School is Mrs. Marion Ford, Assistant director is Donald Plummer. Mrs. Ford is art director of the Arlington schools and Mr. Plummer is supervisor of art in Belmont.

This junior art colony which is sponsored by the Arlington P.T.A. Council is in its seventh year and had a registration of 187 in October. There are a few openings in each class, and registrations will be accepted for the new term, starting February 7th.

Those interested may call Mrs. Raymond McKeever, Arl. 5-8360, for further information.

Music Clubs Of State  
Offer Scholarships

Mabel Parkes Friswell, state president of the Massachusetts Federation of Music Clubs, announces that the national Edger Stillman-Kelley Scholarship of \$1,000 payable at \$250 per year for four years to a talented junior in music worthy and in need of aid and who has not reached his or her 17th birthday by

March 1, 1953, is open this year in the Northeast area. Exceptionally talented students in instruments or voice are urged to write Mrs. Friswell, 891 Central Avenue, Needham, Mass., for additional details on auditions, which will be held in April. All applications must be received by March 1st.

The applicant must be a citizen of the United States.

TRAFFIC RULES CHANGED,  
SELECTMEN REPORT SAYSP.W. Regulations  
On Sewer Work  
Now Changed

The Board of Public Works at its meeting held Friday, January 30 voted to amend rules and regulations relating to construction and use of private sewers as approved by the Board of Public Works July 2, 1946.

The decision to amend the rules and regulations was determined after considering several factors such as 1) the inability of residents to obtain the service of companies equipped to perform such work as clearing sewers on a 24-hour basis; 2) the nature of the hardship imposed upon the owner or occupant of the dwelling concerned; and 3) the many occasions when it can not be determined without digging whether or not the trouble exists in the private sewer or in the sewer main itself.

It is the impression of the Board that such service will be appreciated by the townspeople, said a spokesman for the Public Works office.

Plans Of Police Chief Bullock  
Include New Traffic Rule Book

The office of the Selectmen yesterday announced that many Arlington streets will be on the restricted list as far as parking is concerned. The parking regulations, submitted to the Selectmen by Chief of Police Archie Bullock, are one move in the Chief's plan to modernize Arlington traffic rules and regulations. Another step—the inclusion of an article in the Town Warrant for an appropriation to print new traffic rule books, already has been taken.

Streets included in the new parking regulations are listed below. "N.P." indicates no parking at any time; "east", etc. indicates side of street involved:

Street	Side	From	To	Rule

Loring Resigns From DeMolay;  
Is Replaced By Donald Humes

At the DeMolay Advisory Board meeting last Thursday, Frank Loring, well known in Arlington Fraternal Circles, tendered his resignation as DeMolay Chapter Advisor. The change came about because of Mr. Loring's new employment by the state of Maine, requiring residence in that state.

Mr. Loring was the first Chapter Advisor in Arlington and will be missed by the members as well as by the Advisory Board and by Square and Compass Club members. He was one of the principal organizers of DeMolay here and at Thursday's meeting, a past Chapter Advisor's Jewel.

As his successor the board has chosen Donald Humes of 107 Appleton Street, formerly Regalia Custodian, and an early and continuous promoter of DeMolay. Mr. Humes is receiving congratulations from the boys and sponsoring members, who are pleased with his election and acceptance.

On the DeMolay program is the Initiatory degree for 21 candidates on February 13 and a dance with Arlington Rainbow Girls on February 27 at the DeMolay Hall. Herbert K. Miller, District Deputy, will officially inspect the Chapter at the February 13 meeting.

One of the 38 new students at the New England Deaconess Hospital School of Nursing is Delores C. Peterson of 94 Franklin St.

Generous Donors  
At Bloodmobile  
Give 200 Pints

Mrs. Russell T. Hamlet reports a banner day for the Arlington blood donor program. Over 200 pints of blood were donated at St. John's Parish Hall yesterday, she says.

Top credit goes to the Arlington Gas Light Co., New England Telephone Co., and the Arlington Fire Department, all of whom sent over 20 donors each. More and more Town employees are cooperating, she added, including a large group from the Town Hall, Masons, Elks and Knights of Columbus all helped materially in this program, as well.

Mrs. Russell T. Hamlet is chairman of Arlington blood donor recruitment for the national blood donor program. The Red Cross Bloodmobile staff from Boston was in charge of the actual donation operation.

Kathleen G. Kirschbaum of 35 Vanner Road has been elected to the Queen's Court Carnival, to be held the February 6th weekend.

Move Is Started  
To Help Dutch

Arlington is going to take part in a nationwide effort to aid the people of The Netherlands who, this past week, lost one-sixth of their nation when dikes broke under the raging waves of the North Sea and let tons of water pour in over farms and homes. An organization called the Netherlands Relief Fund has been formed and local heads of the group are J. Wilbert Anderson, chairman, and Dan J. McFadden, vice-chairman.

Selectmen and the Fire Department are co-operating and have named all local fire stations—which are open 24 hours a day—as receiving stations for clothing, shoes, blankets, and any other articles which would be needed by homeless people. Articles must be capable of being packed and transported easily, however.

Money gifts and checks may be directed to Mr. Anderson at the Town Treasurer's office, Town Hall.

"Think what you would need if you were in the places of the Dutch people," said Mr. Anderson, "and then do your share toward helping them. They are in desperate need."

The chief also, speaking of traffic, stressed the importance of parents' controlling the sifting of their children. "One lad," he said, "Robert Russo of 124 Washington St., only nine years old, is now in Symmes Hospital where he has been unconscious since January 13th as a result of a sledding accident. He and some friends were sliding into Summer at about 6:00 o'clock that night and Robert crashed into a passing car. He hasn't regained consciousness since that time. Parents just think the problem is of no importance until something happens in their own family. But then it's too late."

Viola, Suffolk '31,  
On Alumni Program

The mid-winter dinner meeting of the Suffolk Law School Alumni Association, to be held at the Parker House on the evening of February 4, will feature three of its outstanding alumni—Honorable George Fingold, class of '31, attorney general of the Commonwealth; M. Edward Viola, class of '23, member of the executive council of the Commonwealth; Garrett H. Byrne, class of '24, newly appointed district attorney for Suffolk County. In addition to these three the gathering will be addressed by the Honorable Samuel P. Sears, president of the Massachusetts Bar Association.

Honorable John B. Hynes, class of '27 and Mayor of Boston, will preside as toastmaster.

## May Wedding Ahead

Mr. and Mrs. C. E. Hughes, Sr. of 94 Franklin Street announce the engagement of their daughter, Helene Ruth, to William X. O'Brien, son of Mr. and Mrs. John O'Brien of Somerville.

Miss Hughes graduated from Arlington High School with the class of 1950. Mr. O'Brien, who served two years in the U. S. Army, graduated from Somerville High school. A May wedding is planned.

## Supporter Of Fine Arts Program Opposed To Its Discontinuance

The issue of the discontinuance of the Fine Arts program of the P.T.A. Council (whether of a temporary or permanent nature seems open to varied interpretation) this week brought forth an expression of opinion against the discontinuance by one of the sponsors of the program. The individual, Mrs. Harris W. Magnusson, is one of the most active persons in the P.T.A. and in civic circles, and her expression of opinion was directed to Mrs. Spencer Dormitzer, president of the P.T.A. Council.

Mrs. Magnusson's letter, a copy of which was released for publication, follows:

"It came as a decided shock to me to hear that the Arlington P.T.A. Council has voted to cancel the fine arts program for the next year. During the three years that we have lived in Arlington my children have attended every one of the fine arts programs. They have enjoyed some of the presentations more than others, but each

one has been of interest to them. "Our family has felt that this project of the Council has been its most worthwhile one, and it seems incredible that they have voted to suspend it.

"Listening to records, watching television, and seeing films—none of these can take the place of the inspiration received from 'live' programs with 'real' artists performing.

"Abolishing this advantage for our children would be a definite backward step for Arlington.

"As one of the sponsors for the fine arts program, I would suggest that the Arlington P.T.A. Council reconsider the problems involved—if any—and rescind their recent vote.

"When children are involved we cannot afford to go backward."

Sincerely,  
MIRIAM MAGNUSSON  
(Mrs. Harris W. Magnusson)  
Member of Brackett School P.T.A.

## Philharmonic Offers Prizes

### Posters To Be Displayed In Arlington Store

A poster contest to stimulate interest in the Spring Concert of the Philharmonic Society of Arlington, to be held March 11th was announced today by the contest chairman, Mrs. George W. Stetson of 3 Bradley Road.

Substantial cash prizes and tickets will be awarded for the best posters submitted before February 27. The Norfolk Paint and Wallpaper Store in Arlington Center will display the posters as received. Awards will be made on Sunday, March 1 at the Philharmonic Sponsors' Party, to be held in the Robbins Library Hall.

There are no restrictions on the applicants nor the subject matter except that it should be related to the concert.

The concert program will include Brahms "Vienna Overture" and the Mozart "Requiem." In addition to the Philharmonic Orchestra and Chorus, four professional soloists have been engaged.

## Golden Age Club Begins Activity On February 19

All residents of Arlington aged 65 years or more are cordially invited to attend the first meeting of the Golden Age Club of Arlington on Thursday, February 19 at 2:00 p.m. in the auditorium of Robbins Library at Arlington Center. The new organization is being initiated by the Board of Park Commissioners to provide elderly residents of the community with a place for meeting together for leisure-time recreation activities.

Although the first meeting will be confined principally to the problem of organization, Mrs. Amy Powell of Boston will outline the scope and possible programming of such a group. She has a wealth of experience in the formation and conduct of similar organizations in Boston. A musical treat is also in store for those in attendance under the guidance of Mrs. Harold B. Wood.

Meetings of the club will be conducted temporarily by Dan McFadden, Superintendent of Parks and Recreation, until such time as an election of officers is held. It is hoped that all in attendance will participate actively in the discussion period following the formal program, for recommendations. The organizing committee will proceed with the planning of future meetings according to their committee consisting of the following persons: Mrs. John M. Dick, Mrs. M. Miller, Laufman, Mrs. Herbert Reed, Mrs. Lucinda Spofford, Mrs. Harold B. Wood, Messrs. David Shean, Augustus Doyle, James G. Keenan, Henry Keenan, George Morse, Robert W. Murphy, Herman Ockenga, Obadiah Ring, Bert Roen, and Everett J. Henderson.

Refreshments will be served after the meeting.

### Valentine Party

February 10 is the date for the annual Valentine Party and Banquet at the First Baptist Church. Preceded by a catered roast beef dinner at 6:30, the entertainment will feature two former Arlington residents, Morton and Phyllis (Blake) Bowe.

An informal program of comedy and music will be presented. The program will include some of the always-enjoyable selections from "Oklahoma," together with a number of other musical numbers. The evening is certain to be thoroughly enjoyed by all who attend, say committee members.

At an impressive afternoon service on January 18th the Rev. Martin H. Kretzschmar was installed as pastor of Christ Lutheran Church of Belmont, Massachusetts. The Rite of Installation was performed by the Rev. Elmer Kettner, Pastor of Wollaston Lutheran Church, Quincy, Massachusetts and Visitor of the Boston Circuit B of the Atlantic District. A former Army Chaplain who served with Pastor Kretzschmar in Korea, the Rev. William Jensen of Keene, New Hampshire, preached the Installation Sermon, and the Liturgy was the Rev. William Scar, Lutheran Student Pastor for the New England Area.

### State Date: April 15

Rep. Hollis M. Gott on Tuesday morning clarified a point which perhaps has puzzled many potential state income taxpayers. According to Mr. Gott, the state's blank merely reads, "File as early as possible." For many taxpayers, next year would undoubtedly be as early as they could conveniently pay their tax, but that won't do, it seems.

According to Mr. Gott, state income taxes are to be paid in full by April 15th, that date being the result of an amendment introduced by Mr. Gott about two years ago changing the date from March 1st.

It is expected that 1,333,000 persons will file and that some 900,000 persons will have to pay state income taxes.

### Baked Bean Supper Due On Valentine's Day

## Two Arlington Residents Sought; Money Due Them On Stockholdings

The Tracers Company of America would like to locate two former residents of Arlington. The two persons, both "missing stockholders," have accumulated dividend checks, cash-surrender values, or other interests due them, and the Tracers Co. has the job of finding them.

The ex-residents concerned are John A. Burgess, who lived at 45 Hillside Avenue, and Edmund F. Walsh, whose former home was at 61 Wollaston Avenue, Arlington Heights.

Persons knowing the present addresses of these persons may send them to the Arlington News, 637 Massachusetts Avenue.

According to George A. Parker, general manager of Tracers Company, there are over a million missing stockholders in America today who do not know that they have more than \$3,000,000,000 coming to them. Many forgot about their holdings during the lean years when no dividends were paid. Others are unaware they inherited them. Still others threw them in attic trunks and cellar chests, considering them worthless. Experience has shown that a majority of missing stockholders are widows, orphans and others in very modest circumstances.

In the event a missing stockholder is deceased, funds due him will be paid to legal heirs, Parker states.

## Hearing Held On MTA Trolleys

On Thursday, January 29 before the Department of Public Utilities at the State House, a public hearing was held on the petition of the Metropolitan Transit Authority to convert the present Clarendon Hill-to-Arlington Center bus line and

the Lechmere Square-to-Arlington Center bus line to a trackless trolley system. Richard Sullivan of the M. T. A., testified that an economic survey indicated there would be a saving of \$55,000 a year to the M. T. A. from the conversion. William J. Carney of the M. T. A., in answer to a question by Representative Henry E. Keenan of Arlington, said that better service would also result from this change.

Representative Keenan also requested the M. T. A.—if the change were allowed—to permit the trackless trolleys to continue down Massachusetts Avenue, turn left into Franklin Street around the Arlington Fire Station, and then proceed up Broadway and turn right

into Medford Street. This would eliminate the left hand turn into Medford Street, as at present.

A change in Arlington Center traffic flow also is being considered now by the Board of Selectmen whereby all traffic traveling up Massachusetts Avenue would turn right into Franklin Street and then up Broadway. This change requested by the M. T. A., would tie in with the proposed trolley plan.

The Department of Public Utilities has taken the matter under advisement.

Shipments of bituminous coal overseas from U. S. ports averaged more than two million tons each month in 1952.

raising fruit or raising cattle or raising chickens. I have seen more money lost in farming than even in the stock market—and this is saying much! Anyone buying land for farming should be sure it is near a U. S. experiment station.

## What I Would Buy

My first purchase would be a small home in an average, growing community with as much land as I could afford. My building would depreciate from the day I bought it, but the land should appreciate. Such a home should be a good hedge against inflation and be easy to sell. The demands for such well-located, small homes should increase.

"But what next should I buy?" you ask. Well, I would buy no acreage just because it seems "cheap" at ten dollars an acre, compared with a hundred dollars per acre in your own State! There is an awful lot of Florida land good only for holding the world together! You are probably not experienced enough to speculate in groves, pasture or farm land. But here is a suggestion. Florida is growing fast. When motoring about, if you see vacant land adjoining a chain store, or factory, or filling station, or even a church, which land can be bought cheap, buy it. It will be needed sometime for parking or for a motel. Native Floridians are blind to this future demand for parking space. Furthermore, this applies to the old-timers of every state in the Union, including the community where you are reading this column. Hence, I say that the "best buy" in any community, in my humble opinion, is vacant land located so it will some day be needed for parking space.

## News Briefs

Ann Crosby, 246 Mystic St., is among 17 students at Green Mountain Junior College on the "honors list" recently released by the dean's office for academic standing during the fall term.

Miss Crosby, a sophomore, is the daughter of Mr. and Mrs. John S. Crosby. She is taking secretarial studies.

Stanley R. Gardiner, 59 Newport Street, has been appointed as a Notary Public by Gov. Hester, with approval of the Executive Council, following which the commission was signed by Secretary of State Cronin.

The term will expire in 1960.

A local Boston University student, Arnold Ansel of 38 Sunnyside Avenue, has been appointed to the Committee on Student-Government Problems at Boston University. He is a delegate to the Assembly from the Evening Division.

Two Arlington girls, Walda Welch and Joan Buckley, were among the Mary Corbett Burns Dancers who entertained the women of Belmont Rotary at a dinner Tuesday evening, January 27th. The program was repeated Friday evening in Arlington for the DeMolay-Rainbow benefit dance in Odd Fellows Hall.

Miss Elizabeth Dormitzer, daughter of Mr. and Mrs. Spencer Dormitzer of 38 Cliff Street, has started second semester work at Chandler School for Women in Boston.

At Arlington High School, Miss Dormitzer was an active member of the Year Book staff, Dramatic Club, and Art Club. At Chandler, she is on the school's paper and in the Glee Club.

Miss Dormitzer is in the one-year executive secretarial course and will be graduated from Chandler on June 6.

Miss Thelma Lambertson, daughter of Mr. and Mrs. David Lambertson of 66 Lake Street, has started second semester work at Chandler School for Women in Boston.

At Arlington High School, Miss Lambertson was an active member of the Gilbert and Sullivan Club and the Arlington Girls Club. At Chandler, she is a member of the Glee Club and the Dean's Council. Miss Lambertson is enrolled in the one-year executive secretarial course and will be graduated from Chandler on June 6.

The Pershing Rifles, honorary military society of Boston University's Air Force and Infantry ROTC units will hold its annual dance and initiation for 34 new members on Saturday, February 7 at the Hotel Lincolnshire. The dance, to be attended by past and present members officers and pledges, will be highlighted by the tapping of the following local students: Robert Moore of 172 Jason St. and Joseph Piazza of 34 Mystic St.

Arlene Marie Casey, daughter of Mr. and Mrs. William Christopher Casey of 20 Upland Road, is a student in the business education department at Salem Teachers College. She is active in Newman Club, Glee Club, and the Woman's Athletic Association. A graduate of Arlington High School in the class of 1949, she is now doing her practice teaching at Medford High School.

Among those present at a recent board meeting of the Middlesex South District Medical Society, held in West Newton, were: Mrs. Sidney M. Simons, Mrs. Robert E. Nelson, and Mrs. Gordon Saunders.

Hampton Roads, Va. is the premier coal port of the world.

## Letters To The Editor

Dear Sir:

May I, through your paper, speak to those who have believed in the Fine Arts program for the past six years?

"Since the beginning of the Fine Arts program I have worked with it in varying capacities most recently as chairman of ticket promotion. During these six years I have become increasingly aware of your pleasure in our program. "Each year we have tried to make it better. By experimenting with different types of productions we have found some near-failures but more outstanding successes. Through this period of growth the general level of excellence has remained as high as when it was first accepted by the P.T.A. Council. We have reached the point now where we are able to give certain additional programs, without charge, to an extension of our regular audiences. Your approval of our effort has been shown by your increasing eagerness to buy tickets.

"I am sure you are all wondering, as I am, how a majority of the P.T.A. Council, only fifteen members, could have been influenced to deprive Arlington school children of the privilege of enjoying the Fine Arts Program next year. This seems especially strange since the programs satisfy one of the basic P.T.A. principles of securing highest advantages for children everywhere.

"I thank you sincerely for your support of our effort to retain a program of our effort to counteract some of the unwholesome influences prevalent today."

Gratefully yours,  
Reita I. Bean  
(Mrs. Warren M. Bean)

Dear Sir:

Through your good offices, may I address the following letter to my fellow citizens?

"As a member of the Florence Crittenton League, the Menotomy Chapter of the Daughters of the American Revolution, and the Massachusetts Women's Republican Club, may I urge all of my friends and the good citizens of this Town of Arlington to vote for Franklin W. Hurd for Selectman for the three-year term.

"Franklin W. Hurd was born in this town, attended school and married here, and served in World War II, with 18 months overseas. He has a charming wife and is the very proud father of two fine young sons.

"Franklin Hurd has done a splendid job as chairman on the Board of Park Commissioners. He has been instrumental in creating many improvements in our parks and playgrounds. Our parks and playgrounds, at the present time, are a credit to Arlington.

"Mr. Hurd is a very sincere and kind person, his integrity can not be questioned. Above all he has a qualification found in few people; he takes a very broad point of view, has an open mind, and is willing to listen and heed the wisdom of those in the proper authority.

"His one great interest is serving the citizens of Arlington to the very best of his ability at all times. He will do his best to assist you, as individuals or as a community, in any problem large or small.

"I know Franklin W. Hurd and therefore ask you to vote for him as Selectman. He will never disappoint you, believe me.

"Please accept my thanks."

Cordially yours,  
GLADYS M. PARKS.

Marine Private First Class Raymond B. Blauvelt, son of Mr. and Mrs. William A. Blauvelt of 6 White St., recently completed his recruit training at the Marine Corps Recruit Depot, Parris Island. During the eight weeks of intensive training, the new Marines studied military subjects and won the Marine marksman medal.

## Boys Coming Home

Six Arlington men are scheduled for release from active duty at Camp Atterbury, Ind., where they are serving with the 31st Infantry Division.

They are:

Cpl. Francis A. Carlino, son of Mr. and Mrs. N. Carlino, 53 Dudley St., a supply sergeant in Company H, 16th Infantry Regiment;

Pfc. Walter J. Johnson, son of Mr. and Mrs. Gustave H. Johnson, 16 Hopkins Rd., a court-martial clerk in Headquarters Company, 155th Regiment;

Pfc. John J. McGuire, son of Mr. and Mrs. Helen McGuire, 17 Central St., a rifleman in Company K, 16th Regiment;

Cpl. Charles L. Cadario, son of Mr. and Mrs. Charles A. Cadario, 64 Glenburn Rd., a member of Headquarters Company, 167th Regiment;

Pfc. Ernest A. Guanci, son of Charles Guanci, 28 Beacon St., a rifle squad leader in Company C, 167th; and

Francis J. Barila, son of Mr. and Mrs. D. Barila, 76 Andover St., a photographer in Signal Company. All of the men will be released Feb. 8, except Private first class Johnson who will be released February 6.

Second Lt. Walter B. Torphy Jr., whose wife Irma lives at 29 Burch St., recently graduated from the 1st Cavalry Division's Winter Training Center in Japan. He now has been selected to help give the specialized training to other 1st Cavalry Division soldiers. He spent one month in Korea with the 99th Field Artillery Battalion as assistant executive officer.

A graduate of Boston College, Torphy entered the Army in September 1951. His parents, Mr. and Mrs. Walter B. Torphy, also live at 29 Burch St.

ON "VACATION CRUISE"  
A winter cruise in the Caribbean Sea, with visits to Puerto Rico, the Dominican Republic and Bermuda, is now being enjoyed by Norman S. Einarson, fireman USN and son of Mrs. Jessie Einarson of 19 Eastern Ave. He is in the crew of the destroyer USS Gatling.

Attending the U. S. Naval Radio-matic School at Bainbridge, Md., is Frank D. Mele, seaman USN son of Mr. and Mrs. Domenico Mele of 52 Fairmont St. Mele entered the Naval service in April 1951.

Students at the school are trained to operate radios, radio direction finders, teletypewriters and voice radio equipment.

Robert L. Arbizzone of Arlington is the current display of art in Library Hall under the auspices of the art committee of the Arlington Woman's Club. His oils and water colors, including "The Brook" and "The Old Sawmill," will be shown until February 15.

## Mrs. W. A. Taylor Is Y.W. Hostess

Mrs. W. Arthur Taylor of 90 Al-pine Street, is one of the hostesses for a newly-formed group at the Boston YWCA called "The Samplers" whose first "talk and tea" took place January 14. Additional meetings will be held on the second and fourth Wednesdays in February and March.

"Handwriting Analysis for Fun," "What Makes My Car Go—or Stop," "Helpful Hints on Being a Good Mother-in-law and Grandmother" (equally applicable to sisters-in-

law and maiden aunts), "Flower Arrangements for 50 cents," and "Spring Fashions - Individualized," are topics to be covered in later talks.

Registration for the series or individual talks is open to the public. Information about "The Samplers" is available at the Boston YWCA.

Two courses in astronomy are now underway at the Museum of Science. Begun last week, they are open to the public and are on "Physical Astronomy" and "Introducing the Stars." YOU are invited to join the fun!

## "Daisy Meadows" Due Here Next Week; Will Be In NEWS Cooking School

The personal appearance of "Daisy Meadows" will be one of the features of the Arlington News Cooking School, Tuesday and Wednesday nights, February 10 and 11 in Robbins Memorial Town Hall. Daisy will bring along her friend, "Wanda, the Whiting Wonder." In addition to interesting kitchen chat, Daisy will award prizes to five lucky women.

One of New England's best-known and best-loved personalities, Daisy Meadows is the "meet the public girl" of the Whiting Milk Co. She has made countless friends with her weekly radio show "Your Date with Daisy" and travels hundreds of miles to collect material first-hand for her tape-recorded show. Interviewing famous people, covering special events, and doing public service for many worthy causes.

In addition to her radio show Daisy maintains a large following through her interesting and informative newspaper column, "Daisy's Diary," and through countless appearances at dinners, meetings and public functions.

The blonde head under the sun-bonnet of Daisy Meadows is full of experience and knowledge which

well equip her for her job. She's a trained and experienced home economist, a graduate of New York State College of Home Economics, and is experienced in journalism, radio, TV and demonstration work. Her poise and personality are the result of working on the staff of NBC, assisting in the research and programming of "Today with Eleanor Roosevelt" and conducting her own new program.

## Council Seeking Participants In Child Safety Discussion

Local Residents Eligible To Be On Panel

The Massachusetts Safety Council is in need of a special kind of information which only a certain few parents of pre-school children can supply, according to an announcement by Edgar F. Copell, president. He is requesting the assistance before March 1st of those parents who are able and willing to offer that help.

"During our 32nd Annual Safety Conference and Exposition on March 30-31 at the Boston Statler Hotel, one of the three sessions being sponsored by the Education Committee will be a Child Safety Institute," Copell said. "It will be a unique program for every one interested in the home-safety and highway-safety training of pre-school children. The number of children under five years old who are being killed each succeeding year in highway accidents is constantly increasing," he added.

Mr. Copell then went on to say, "Many mothers have told us that they would like to do a truly thorough job of instructing their small fry in correct highway-use habits but that they don't really know either how to go about it effectively or what training of this kind the schools expect entering children to have received from their parents."

"So we are looking for three parents to participate in this Institute session. These parents will have formulated and carried out their own systematic training plans for teaching their pre-school children when, where and how to cross streets safely, what the different colored lights mean in traffic signals, why they should play in away-from-street places, and the many other important rules for

avoiding highway accidents." Copell urged every parent who considers her training program to have been really effective, to put the plan down in a written statement of not more than 500 words and send it to Dr. Leslie W. Irwin, chairman, Child Safety Conference Committee, Massachusetts Safety Council, 31 State Street, Boston 9, Mass. Each statement should describe clearly just how the training plan was followed through and should be sent in before March 1st. The committee will evaluate each statement carefully and select the three that are the most practical and educationally correct. Their authors will then be invited to attend the Institute on March 30th, and discuss their individual programs with the audience at that time.

Copell emphasized that this was in no sense a "contest" but that the three authors selected should derive great personal satisfaction from sharing their successful experiences with other parents. Knowledge which might help to keep some other mother's child from being killed or seriously injured in a highway accident.

Other sessions during the conference will deal with the child safety program from the standpoint of the motorists. The complete program of the Institute and of the entire conference will be available at a later date.

## CUB PACK 86

Cub Pack 86, Peirce School, held its Pack meeting on Friday evening, Jan. 16. While Cubmaster Myles McNally gave the group tips on sking, Committee Chairman Richard Wellons, in a separate group, introduced Pack Committeemen Seward Jarvis, James Hutchinson, Richard Rice, Shelton Wicker, and Charles Leverone to the assembled parents. Mr. Wicker spoke to the parents on parent participation and the rewards of the cubbing program.

**Awards Given**  
The meeting was officially opened with a Flag Ceremony conducted by Den 5. Presentation of awards followed. New Cubs—Carl Campbell, David Leverone, David Walsh, Gary Pigg, and James Maheris—received their Bobcat pins. Wolf badges were awarded to William Imlach Elliot, Howe, and Jackie Bella. Bear badges to Fred Jarvis and Robert Lea. Gold arrows to David Zwicker, Robert Lea, Jackie Bella, Michael Thompkins, Fred Jarvis and David Rice. Two Silver arrows each went to Jackie Bella, Michael Thompkins, and Robert Lea.

Mrs. Michael Garipey, new Senior Den Mother, expressed the thanks of the Pack to Mrs. Frederick Heffler, retiring Senior Den Mother, for her outstanding service.

While the stage was being readied for the entertainment, Cubmaster McNally, with the aid of several Cubs, gave a safety demonstration on how to rescue a skater who had fallen through the ice. The highlight of the evening was

## MANY HIGH SCHOOL STUDENTS EMPLOYED IN PART TIME WORK

The urge to earn spending money and funds with which to go to college is still strong among Arlington High students, according to a survey recently made by the guidance department. Thirty percent of the student body are working to some extent, ranging from a few hours to a full 40 hour week.

The average time spent in employment is just under 19 hours, and the average salary earned is \$13.57 per week. About 77% of those who work put in between 10 and 30 hours a week, 44% fall-

ing in the 11-20 hours group, and 33% in the 21-30 hours group. Eighteen students are working from 30 to 40 hours a week. The percentage of employed students is almost 6% less than last year, but just about the average of the last six years.

The skits prepared by the Cubs and their Den Mothers on the theme of the month—transportation. With realistic models and pantomime, they girdled the earth on sedan chairs dogsleds, covered wagons, trains, ships and planes. They capsized time and space into a wonderful trip thoroughly enjoyed by their parents.

"Oh, My Achin' Back!"

This was no idle phrase but a literal description, as Cub Pack 86 went over the top on their first Paper Collection on Saturday, Jan. 16. The hard work of the Cubs made the results exceed all expectations—five tons to be exact—and with enthusiasm running high, another collection is planned for March 7.

## William Patterson Tells Aides His Stand On Town Questions

At a meeting held this week in his home at 24 Stony Brook Rd., William S. Patterson, candidate for the two-year term as Selectman, told his sponsors some of the changes which he believes will take place under a Town Manager. He also expressed some of his own views on Arlington affairs so that his committee would know just what he stands for. Said Mr. Patterson:

"I am for a Town Manager 100%. I believe it is a step toward more efficient managing and careful spending in town affairs. To make it really effective, the Board of Selectmen must be chosen with care. It is no place for those with a skeptical outlook. The task will definitely have problems which will require patience and understanding. No person who has outwardly opposed town management should be elected to the Board of Selectmen. There will be problems enough without dissension on the Board. "We should bear in mind that it was high taxes which voted town management into being in Arlington. There were, of course, minor annoyances which contributed, but it was the increase in taxes year after year that roused the voters into action. Regardless of what was said against the plan previous to election, the voters took this means as a way of expressing their desire that more consideration be given their pocketbooks. This revolt from old ways was a bomb of resentment hurled right at the heads of the Town Meeting members, which was just where it belonged. It is they, and no one else, who are responsible for our higher taxes. Every year the Finance Committee has brought in well-ordered budgets planned at keeping the tax rate within bounds, but just as regularly a majority of the Town Meeting members, influenced by one or two of their members, have insisted upon additional spending. It is this kind of spending that has put Arlington's tax rate where it is. Our assessors have nothing to do with it. Speaking in a broad sense, they merely divide the total amount spent, what ever it may be, amongst us. So, in the future, judge the work of your Town Meeting members by the size of your tax bill, or at least until such a time as they have learned to follow the leadership of their Finance Committee, whose responsibility they have taken over. (My apologies to all Town Meeting members who have been loyal supporters of the Finance Committee.) "Arlington is fortunate in that it has been, to a great extent, free of partisan politics in local affairs, thus discouraging costly political bosses. But to a certain degree we have developed another type of boss which to a considerable extent, is able to influence the vote from the Town Hall floor. They point with pride to the wreck their superior judgment has made of the Finance Committee's previous planning, but they never say one word about what it has cost us. According to all accounts, these same individuals are now ready and willing to take over the direction of a Town Manager and thus give Arlington more and more of what the voters have just repudiated. Oblivious to their short-comings they still believe themselves to be indispensable. It might be well to look over the cost of their services. Many of us can remember when Arlington's tax rate stood well below the aver-

age when compared with those of her neighboring towns and cities. Let us take a glance at where it stands today.

1952 Tax Rates		
Arlington	56.40	Newton 45.80
Stonham	56.00	Lexington 44.00
Somerville	55.60	Winchester 41.60
Cambridge	52.80	Brookline 40.20
Waltham	51.40	Belmont 39.00

"Don't let them say this is the result of a low valuation. Let us stop swallowing that old chestnut, which has been used in every community where the tax rate is high. If you want the picture, compare two like houses in different towns or cities and you will find that it is costing 50 to 100 dollars more per home to live in Arlington, than in places like Newton, Winchester or Belmont.

"With the average family struggling to make both ends meet, can we wonder at their concern over what is happening to Arlington. The day has come when the rise in local, as well as State and Federal taxes, must be checked. The combined savings to the average family could be substantial. Certainly, it is desperately needed. "So just to let the voters know that their protest is being heeded, may we ask the Finance Committee to spend with care this year, and the Town Meeting members to try to support their recommendations. This, I am sure, will restore again to the voters of Arlington confidence in their town government which, for the moment, has been lost."

### Meats, Frozen Foods Are Specialties Of Store Opening Today

Jack Thompson, formerly of 29 Ottawa Rd., and with the C. F. Marston store for 14 years—has now returned to the site of the Marston store at 14 Medford St. to open a first-class meat market. The store, opening today, also carries delicatessen specialties and frozen foods.

With Mr. Thompson in the new enterprise is his partner, Jack Fitzgerald, who has much experience in the frozen food business. Thompson, besides many years in the meat and food business, also has been with Frostmaster Corporation on Broadway for 16 months.

Together they plan to give Arlington its finest store, with products of highest quality offered at reasonable prices. Thompson told The News that he felt fortunate to have Fitzgerald as his partner in the enterprise. Fitzgerald lives on Alfred Road.

The two men say that they plan to sell home freezer units along with their other products.

### FRIENDSHIP GUILD

The Friendship Guild of Park Ave. Congregational Church held its third anniversary meeting at the home of Mrs. Ruth Flint of 14 Fessenden Rd.

The president, Mrs. Barbara L. Colburn, opened the meeting with devotions.

### Clarification On Tax Stand Made By Harris

The following open letter was addressed to the Arlington Finance Committee (in care of Chairman J. Howard Hayes) this week by George Harris, candidate for Selectman:

"In order that you may have a full understanding of the article now in the Town Warrant on assessing real estate valuation, may I state that it is not my intention to request your committee to approve the expenditure of any large sum of money.

"Hundreds of residents have, from time to time, talked about this phase of town operation. They know that in other towns it has worked to the benefit of all.

"However, it is not my purpose, nor that of the other signers, to rush into it without an examination.

"Hence, all I am requesting of your committee, is that it approve the appointment of an official town committee to study the advisability of doing the job I feel that all three members of the Board of Assessors should be on the committee and probably four more, either town officials, town meeting members, or others as you decide.

"A small sum, for expenses only, of from \$100 to \$200 is all the appropriation the committee would need.

"I feel that a great deal is to be learned from such a study. Good government comes from such studies. The merits or demerits are not in question until an official town committee makes its study and recommendations which may not come for a year.

"People want to know about revaluation—what it can do for them. Let's find out."

Respectfully,  
George A. Harris

### On T.V. Tuesday

Josephine Farchy Biscoe, enthusiastic local home economist, has been invited to appear as the guest of Polly Huse on the "Domestic Diary" telecast, WBZ-TV, on Tuesday morning, February 10 at 9:00.

For the past four years Mrs. Biscoe has been teaching in the Adult Education program in Arlington, where her constant emphasis on the fact that dollars can be saved by every homemaker has won her popularity.

Upon graduating with highest honors from the High School of Practical Arts, Boston, in 1941, she was appointed to the sewing faculty of that school.

A homemaker for the past 10 years, plus the rearing of four children, has put Mrs. Biscoe into a position of knowing the needs of other homemakers.

She and Mr. Biscoe and their four children reside at 57 Alpine St., Arlington Heights.

### Scouting Head Speaks Sunday

Howard D. Butler

On Sunday, February 8 at 12:00 o'clock noon, the Mens' Class of the First Baptist Church will proudly present another of its unusually fine programs. At that time Howard D. Butler, scout executive of Sachem Council, Boy Scouts of America, will speak the day being the 45th anniversary of the founding of scouting in England by General Sir Robert S. Baden-Powell. In 1910 the same organization was incorporated in the United States.

Mr. Butler was born in Duxbury and educated in the public schools there. He was a member of Troop 1 in Duxbury as a boy and later became assistant scoutmaster and scoutmaster of that troop. He entered professional scouting in 1942 after graduation from the 79th training school for scout executives held at Schiff Reservation, New Jersey, becoming field and assistant executive for the Old Colony Council of East Walpole, Mass. In December, 1943 Mr. Butler was appointed an area executive of the Pine Tree Council in Portland, Maine, where he served until May of 1947. At that time he transferred to Burlington, Vermont and became scout executive of the Long Trail Council there. In March of 1952 he took up duties as scout executive of Sachem Council in Lexington.

### Service League For Arlington Elects Officers

The Arlington Social Service League, local branch of the Family Society of Boston, held its annual meeting and election of officers at 2:30 on the afternoon of January 30 in Robbins Memorial Library Hall. Mrs. M. Miller Laufman presided.

The meeting was opened with prayer by the Rev. Warren Bixby. Mrs. Laufman then reported on her attendance at meetings of the Family Society of Boston for the purpose of securing and passing on to the local Board information regarding work of the organization. At the first meeting of the new Board on February 19, steps will be taken to organize an "Elderly Group Club."

After reports by the recording secretary, treasurer, and auditor, the following officers were elected: president, Mrs. M. Miller Laufman; vice-president, Mrs. Norris Hoyt; recording secretary, Mrs. David Kennedy; corresponding secretary, Mrs. Walter Boone; treasurer, Mrs. M. F. Morrissey. Board members for one year: Mrs. Russell Hamlet and Mr. Richard Stimpson; board members for two years, the Rev. John Heidt, Mrs. Harold Holbrook, Mr. Bert Roens, and Miss Judith Stroudahl.

Mrs. F. Hung, secretary in charge of the local office, gave an outline of Arlington activities reporting that over 600 interviews were given during the past year. Following the business meeting, Mrs. Hunt, with the assistance of Mrs. Foster of the local office, gave a sketch portraying an interview of a client by a case worker.

A question period followed after which refreshments were served by the Let-Us-Lend-a-Hand Club with Mrs. Norris Hoyt and Mrs. Eli Reingold pouring.

More than 80% of the solid fuel burned in North Dakota is lignite mined in the state.

Mr. Butler is a member of the Lexington Rotary Club and chairman of its Youth Work Committee.

### Club's Casting Class Has Good Attendance

The class in bait casting that the Spy Pond Rod and Reel Association has been conducting for the Arlington Boys' Club is really beginning to pay dividends.

Each Saturday from 12 o'clock noon to 1:00 o'clock Thurman F. Chandler, Jack Donnelly, Joseph Donnelly, Robert Donnelly and John Bierlich of the Spy Pond Club are on hand at the Boys' Club to teach youngsters in the art of using the bait-casting rod and reel. The boys in the class show great promise of becoming real proficient in this phase of fishing a few years hence, the instructors say.

Through the cooperation of James H. Sumner, director of the Boys' Club, the gym floor is used for the class and wrestling mats are placed at one end of the floor. In the center of the mats a "bull's eye" is drawn, and the boys stand at the other end of the floor and cast at the target.

On February 28 the scores of each boy will be totaled and the boy with the highest figure will be declared the winner. The Spy Pond Rod and Reel Association will award the winner a Shakespeare Wonder Reel at its March 11 meeting.

### Miss Hicks, Ex-NEWS Employee, In Austria Making "Sitzmarken"

Leading in the competition at the present is Eddie O'Brien, with 1000 points. John Mulvihill is second with 600 points. Other leaders in the class are John Ottoson, Mickey Burke and James LeBlanc.

### Local Man Is Made Division Manager

The John Hancock Mutual Life Insurance Company has promoted William A. Trenchard of 363 Appleton Street to a division managership in the Claim Department, effective February 2. A member of the home office staff since 1940, he had been a supervisor before his promotion.

Although working full-time for the John Hancock, Mr. Trenchard has been studying at Northeastern University in his spare time and will receive his Bachelor of Business Administration degree this June. He served in the Pacific for two and one-half years during World War II, and was awarded the Air Medal.

Miss Barbara Hicks, who was on the office staff of The News last year, is now having herself a time skiing in the Austrian Alps. Following her work with The News, Miss Hicks did secretarial work at a Boston hospital until summer-time, then went to Paris with a girl friend, hoping to get a job as a French-English interpreter. The job didn't appear as she hoped, so she entered the Sorbonne instead.

Last we heard from her she was taking a vacation skiing. Her picture postcard showed a beautiful mountain scene with lots of snow and ski marks.

"Those dents in the snow," she said, "were made by me."

A farmer wished to insure his barn and a few hay stacks.

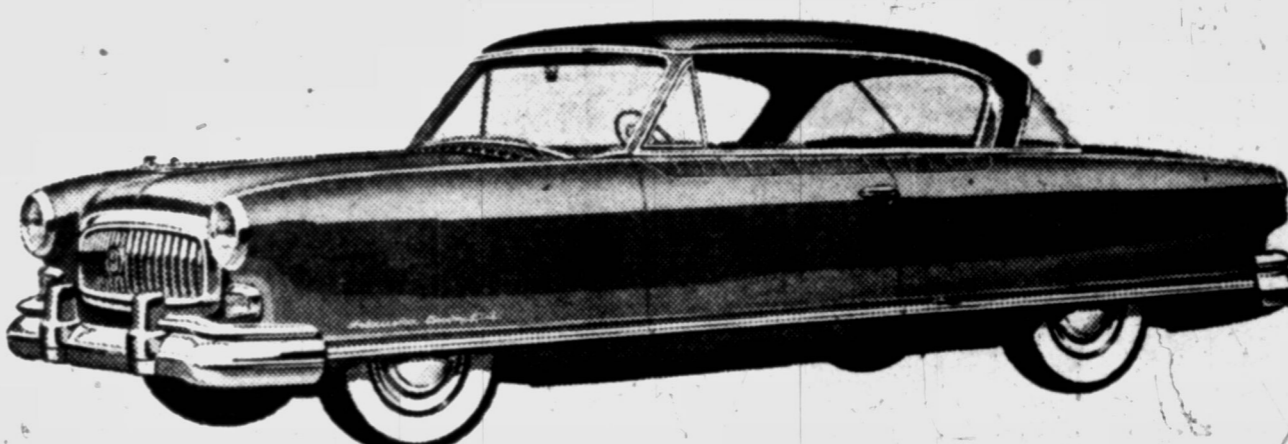

"What facilities have you," asked the insurance man, "for extinguishing a fire in your village?"

The man pondered a little while. Finally he answered, "Well, sometimes it rains."
